++ Valid for broadcast between 0600 and 1800

Headline:
Largely cloudy but some brightness at times.

Today:
Cloudy at times, especially during the morning. Some brighter weather too, perhaps the best of this will be found in the southwest. Light winds again. Maximum temperature 19 deg C (66 deg F).

Tonight:
Some brightness for the west during the evening but otherwise quite cloudy again overnight and perhaps some drizzle around the East Lothian coast. Minimum temperature 10 deg C (50 deg F).

Wednesday:
A dry and bright day for most with cloud dispersing during the morning perhaps lingering around the east coast. Feeling warm in the sunshine. Maximum temperature 19 deg C (66 deg F).

Outlook for Thursday to Saturday:
Remaining dry and settled with some brightness although it will be rather cloudy at times. Saturday marks the beginning of a change with stronger southerly winds in the west later.
